

# Contribute to a Groundbreaking Study on Emotional & Fluid Intelligence!

Join us in an exciting research project on measuring reaction time on emotional and fluid intelligence. Your participation is vital for the success of this study!

## Details

- **What:** Participate in a 30-35 minute test on EI and FI.
- **Where:** Nicholls State University.
- **When:** Spring 2026.
- **Who:** All students are welcome to participate.

Sign up using our QR Code, which describes our study purpose, procedures, risk, benefits, and the voluntary nature of our study in more detail.

## Why Participate?

- **Contribute to Important Research.** Your participation will help replicate and validate significant findings in the field of Emotional Intelligence.
- **Learn About Yourself:** Receive a brief personality assessment as a token of our appreciation.

*Please note that all participants will be required to sign an informed consent form detailing the study's purpose, procedures, risks, and benefits. Your participation will be anonymous, and all responses will be kept confidential.*

For more project details, please contact the doctoral students leading this investigation: [\(names and contact info\)](#).

## Announcement Email for Students and Instructors

---

### Subject: Participate in a Groundbreaking Study on Emotional and Fluid Intelligence at Nicholls State University!

Dear Students and Instructors,

We are excited to announce an opportunity for students to participate in an important research study on the reaction time on emotional and fluid intelligence, conducted by the doctoral students at Nicholls State University. Your participation will help advance our understanding of human behavior and contribute to significant findings in the field of emotional and fluid intelligence.

#### Study Details:

- **What:** Participate in a 30–35 minute test on EI and FI.
- **Where:** Nicholls State University.
- **When:** Spring 2026.
- **Who:** All students are welcome to participate.

#### Why Participate?

- **Contribute to Important Research:** Help replicate and validate significant findings on EI and FI research.
- **Learn About Yourself:** Receive a brief personality assessment summary as a token of our appreciation.

**Study Procedures:** Participants will engage in a series of Emotional recognition and situation solving tasks in a test.

**How to Sign Up:** Scan the QR code below or visit our sign-up page at [insert sign-up link]. Complete the informed consent form and select your preferred time slots.

**Contact Information:** For more project details, please contact the doctoral students leading this investigation:

- Peyton Ferree , pferree@nicholls.edu

**QR Code:** [Insert QR Code here]

Your participation is vital for the success of this study, and we greatly appreciate your willingness to contribute. Be a part of something bigger and make a difference with your decisions!

Thank you for considering this opportunity.

Best regards,

Peyton Ferree  
Nicholls State University

## Classroom Recruitment Script

---

**Introduction:** Hello everyone, my name is [Your Name], and I am a [Your Position] at Nicholls State University. Thank you for giving me a few minutes of your time today. I'm here to talk to you about an exciting research opportunity that we are conducting on Emotional Intelligence and Fluid Intelligence.

**Purpose of the Study:** We are conducting a study to understand the relationship between emotional intelligence and fluid intelligence measuring the reaction time on a recognition of emotions task.

### Study Details:

- **What:** The study involves participating in a 30–35 minute test on EI and FI..
- **Where:** The experiment will be conducted right here at Nicholls State University.
- **When:** We are conducting the study throughout the spring of 2026.
- **Who:** All students are eligible to participate. We are aiming to recruit over 200 participants.

### Why Participate?

1. **Contribute to Important Research:** Your participation will help replicate and validate important findings in decision-making research.
2. **Learn About Yourself:** As a token of our appreciation, you will receive a brief personality assessment summary.

**Anonymity and Confidentiality:** We take your privacy very seriously. All your responses will be kept anonymous, and the data will be used solely for research purposes. No identifying information will be linked to your responses.

**How to Sign Up:** If you are interested in participating, you can sign up using the QR code on the flyer we will distribute today or visit our sign-up page at [insert sign-up link]. You will need to complete an informed consent form and select your preferred time slots.

**Contact Information:** If you have any questions or need more information, feel free to contact us:

- Peyton Ferree. pferree@nicholls.edu
- Dr. Christopher Castille, christopher.castille@nicholls.edu

**Conclusion:** Your participation is vital for the success of this study, and we greatly appreciate your willingness to contribute.

Thank you for your time, and we hope to see you in our study!

---

**Hand out Flyers:** (Distribute flyers with QR codes and contact information to the students.)

**Q&A Session:** (Invite any questions from the students and provide answers to ensure they have all the necessary information.)
